Product Specification Sheet

Targus Wireless Optical Stow-N-Go™ Notebook Mouse

Part #: AMW46US

Product Description:

The Targus Wireless Optical Stow-N-Go Notebook Mouse features a stow-and-go micro USB receiver that attaches securely to the bottom of the mouse for added portability and convenience. The receiver also triggers an On/Off switch to help conserve power when the mouse is not in use for up to 12 months* of battery life. The built in low power indicator light lets the user know when to change the two AA batteries. The mouse features a soft-touch design for added comfort during use. The dual-purpose ergonomic design is small enough for travel yet big enough for comfortable desktop operation.

*Battery life will vary based on usage
